

## COVID-19 Consignment & Thrift Shop Policies

### General

- Masks are required.
- Sanitizing hands upon entrance to the shops is required.
- Sanitizer is available at the shop entrance, exit, and registers.
- Social Distancing is required, please follow marked directional flow.
- Entering and Exiting
  - If you have made a purchase, you must exit the shop. If you wish to re-enter, then you will need to get back in line. When shopping, entering and exiting between shops is allowed.
- There is a limited number of customers in each shop at any one time; we ask you to limit shopping time if others are waiting to enter.
- Dressing rooms are closed.
  - The trying on of clothing is not allowed, shoes are the exception.
  - The trying on of jewelry is allowed, however you must sanitize your hands first.
- Used baskets are to be returned to the register area.

### For your safety:

- Frequently touched areas are sanitized throughout the day.
- Sneeze guards are in place.
- Restrooms are closed.
- Sanitized rolling shopping baskets are available at the entrance.

**Do not bring donations with you when you come to shop!**
